

YOUR PERSONAL PRESCRIPTION FOR HEALTHY,  
RADIANT SKIN

## FOAMING FACE WASH

*Patchouli & Ylang Ylang*

This mild and light, deep cleansing Foaming Face Wash with Patchouli and Ylang Ylang leaves your skin fresh, clear and smooth and prepares it for the next skin care step. Self processed extracts from the organic herbs, Rose flowers buds, Calendula and German Chamomile flowers balance your skin and avoid redness after cleansing. Vitamin C & E as well as Ginkgo work against free radicals. Suitable for all skin types. Guarantees a beautiful clean fresh feeling!

### **Directions for use:**

Remove make-up with Eye & Face Make-Up Remover first. Then pour a small amount of the light Foaming Face Wash in your palm using a bit of water. Apply with a circular motion and rinse it all off with lukewarm water and a face towel. Use a towel to dry face. Use any gel, day or night moisturizer after.

No animal testing.

## FACE & EYE MAKE-UP REMOVER

*Lemon & Lime*

This wonderful, mild cleansing Make-up Remover is suitable for the face and around the delicate eye area. Hawaiian Kukui and Macadamia Nut Oil, Avocado & Jojoba Oil combined with a herbal mixture of Marshmallow, Calendula, Lavender and Witch Hazel helps moisturize and balance your skin during the cleansing process. Lemon and Lime Essential Oils promote a fresh, clean feeling with a light astringent effect. It eliminates make-up smoothly and efficiently. For deeper cleansing purposes apply the Foaming Face Wash immediately after.

### **Directions for use:**

Use small amount in your palm and massage onto face (as if you are washing your face with this mild lotion, add water if desired) or on a dry cotton pad and remove make-up around your eyes and on face. Rinse off with plenty of water. For strong oily mascara use Ylang Lip Balm on cotton pad first and then continue with the Face & Eye & Face Make-up Remover and Foaming Face Wash after.

No animal testing.

## DAY FACE LOTION

*Vanilla & Rose*

This super light and powerful Day Face Lotion with precious Vanilla Extract from French Polynesia and rich Rose Oil from Morocco care for your skin in a very special way, leaving it soft as silk with a convincing rejuvenation effect. Enriched with the ancient soothing Hawaiian Kukui Oil that has been used for

centuries for healing purposes. This will leave the skin feeling moisturized and balanced. An ideal day time protection. Aloe, Calendula, Green Tea Extract, Vitamin C and Pomegranate Extract work as super antioxidants against free radicals and prevent skin damage. Suitable for all skin types, especially normal and oily skin.

**Directions for use:**

Apply small amount onto face and neck with light circular motion.

No animal testing.

## **FACE CREAM DAY & NIGHT**

### *Sandalwood & Orange*

Suitable for all skin types, this soothing and restoring face cream can be used day and night. It is deeply penetrating and especially effective for dry and normal skin types. The combination of Australian Sandalwood and Orange Essential Oils together with Shea Butter, Natural Vitamin E, Pomegranate and Mangosteen Extract act as powerful antioxidants and take care of the skins rejuvenation process. This extremely moisturizing, precious cream is very suitable for use under make-up as it will prevent the skin from drying out. And excellent skin protection in harsher weather and a great healing cream for reddened, broken skin, couperose and for sunburn and after sunbathing.

**Direction for use:**

Apply the cream after cleansing onto face and neck with light circular motion.

No animal testing.

## **ANTI-AGEING FACE GEL**

### *Sandalwood & Orange*

This light and very efficient Anti-Ageing Gel with a strong Vitamin Complex of Vitamin A, C and E, Rose, Chamomile, Pomegranate Extract, Blackberry Leave and Mangosteen Extract combined with Australian Sandalwood and Orange essential oil is the perfect product to reduce the premature aging of the skin and is guaranteed to keep it feeling firm and fresh. Great for all skin types, especially oily and normal skin. For dry and mature skin the additional use of Face Cream Day & Night or Day Face Lotion is recommended.

**Direction for use:**

Apply the gel after cleansing onto face and neck with a light circular motion. Follow with Face Cream Day & Night or Day Face Lotion. For every day use.

No animal testing.

## **EYE GEL**

*Rose & Vanilla*

This light and effective natural Eye Gel with calming Rose Oil and Vanilla Extract from French Polynesia soothes fine lines around the eye area, moisturizes the delicate skin and nourishes it deeply. It is truly a reliable companion for everyday use. Feel and see the difference.

### **Directions for use:**

Apply a small amount onto your finger tips and gently pat it around the delicate eye area until it is absorbed. Use day and night.

No animal testing.

## **BEAUTIFYING AND REJUVENATING CREAM**

*Tea Rose & Rose*

This rich cream is easily absorbed and helps to reduce fine lines. The combination of organic herbs which include Ginkgo biloba, Chamomile and Marshmallow moisturizes the skin deeply and has a calming effect at the same time. Tea Rose and Rose Oil promote a state of harmony and balance. A high concentration of natural antioxidants like Pomegranate and Mangosteen Extract, Green Tea and Vitamin C protect the skin from free radicals and prevent it from premature ageing, leaving the skin feeling deeply rejuvenated and as smooth as silk. This Wrinkle Soothing Cream is a perfect companion for every use and is especially recommended at night time, for deep regeneration.

### **Directions for use:**

Apply with a light massage to your facial skin and décolleté after cleansing. Use especially around the delicate eye and mouth area as well as on the décolleté.

No animal testing.

## **LIP BALM**

*Ylang Ylang*

This balm moisturizes, protects and smoothes the lips, leaving them feeling soft and silky. Chamomile and Rose Extract combined with Beeswax, Shea Butter, Vitamin A and E prevents them from cracking and drying, especially in harsh weather conditions. It can also be used to remove sticky eye make-up before using the Eye & Face Make-up Remover.

### **Direction for use:**

Apply a small amount directly onto your lips with your finger or a cotton bud and massage in gently. For deep moisturizing and regeneration use a larger amount, on and around the lips, before you go to bed.

No animal testing.

## **REPLENISHING FACE MASK**

*Rose & Chamomile*

This rich natural face mask is deeply replenishing for all skin types, using the life force of Rose and Chamomile flowers. Calendula, Marshmallow, Green Tea, Pomegranate and Mangosteen Extract as well as Vitamin A, C and E are very effective in restoring and refreshing the face with an excellent anti-ageing effect. It can also be used as a quick face freshener before a special event.

### **Directions for use:**

After cleansing your face, mix the Replenishing Face Mask with a bit of water and apply on damp face skin and décolleté. It can also be used around the delicate eye area. Leave it on for about 10 to 20 minutes. Rinse off with lukewarm water and a face towel or cosmetic sponge.

No animal testing.

## **MORBID CLEANSING MASK**

*Lemon & Orange*

This Face Mask with Hawaiian Healing Earth combined with Lemon and Orange and organic herbs like Hamamelis, Chamomile, Calendula has a deep cleansing and nourishing action on the skin. Old skin cells are softly buffed away, and the pores are cleared and prepared for the next skin care step.

Enhances the blood circulation through the skin and provides a healthy, clear and beautiful fresh skin. Pomegranate and Mangosteen Extract work as natural antioxidants.

### **Direction for use:**

Mix with a bit of water and apply a thicker layer of the Cleanse & Nourishing Mask all over the face and décolleté, after the use of Foaming Face Wash. Let dry for 10 to 15 minutes and wash off with lukewarm water and with face towel or cosmetic sponge. Then apply day or night care cream.

No animal testing.

## **BEAUTY MIST I**

*Pure Rose*

This natural aromatherapy spray with pure rose, balances the skin and the senses, refreshes and gives your skin a quick lift anytime of the day. It tones, clears, refines the skin pores and hydrates, especially in hot and humid or dry weather. Excellent for dry and mature skin. Romantics will love it! Good for use in facial treatments anytime.

### **Directions for use:**

Remove glasses, close eyes and spray Face Refreshing Mist

onto face and décolleté after cleansing or anytime of the day and pat gently. Apply any other product after. Can be used on the whole body to refresh and also to prevent face masks from drying too much.

Shake before use.

No animal testing.

### **BEAUTY MIST III**

#### *Lime*

The refreshing effect of this aromatherapy spray with Lime, leaves your skin bright and smooth. Refines, tones, hydrates and balances the fat and moisture content of your skin. Very suitable for normal to oily skin. Cools your skin on a hot summer day. Good for use in facial treatments anytime.

Shake before use.

No animal testing.

### **BEAUTY MIST IV**

#### *Sandalwood*

This special aromatherapy spray with luxurious Australian Sandalwood promotes the sense of the spiritual. Super refreshing at anytime of the day, it tones, moisturizes and clears the skin pores. Good for use in facial treatments anytime.

#### **Directions for use:**

Remove glasses, close eyes and spray Face Refreshing Mist onto face and décolleté after cleansing or anytime of the day and pat gently. Apply any other product after. Can be used on the whole body to refresh and also to prevent face masks from drying too much.

Shake before use.

### **FACIAL SCRUB**

#### *Ylang Ylang & Patchouli*

This one of a kind Facial Scrub with fresh Bamboo and pearl powder helps to gently remove dead skin cells. The skin rejuvenates visibly after a few uses. Clears and minimizes skin pores and helps to promote the blood circulation through the skin. The result: a better, fresher, younger looking skin. Ylang Ylang and Patchouli balance the moisture content of the skin. A self extracted combination of organic herbs like Yarrow flower, Marshmallow and Chamomile regenerates, soothes, calms and prevents any redness.

#### **Directions for use:**

Stir with a spoon or a spatula in the jar before use until the product is of the even appearance. First cleanse with

Foaming Face Wash then apply scrub on damp skin with circular motion to face using a face towel or a cosmetic sponge. Wash off with lukewarm water. Follow with any of the Face Refreshing Mists and Face Masks for deep cleansing.

No animal testing.

## **LAVENDER HAND CREAM**

This classic, natural Hand Cream takes care of your hands and nails in a very effective way. Smooth hands are guaranteed. Lavender balances and the combination of Hawaiian Kukui Oil mixed with Rose Oil and Chamomile moisturize the skin deeply. Protects the skin from premature ageing and promotes the skin's elasticity.

### **Direction for use:**

Use a small amount of Hand Cream whenever needed to moisturize and keep the hands and cuticles looking good. Can be applied several times during the day. For an extra rejuvenation boost apply a larger amount before going to bed and wear cotton gloves.

No animal testing.

## **BODY CARE LOTION**

*Lemon & Lime*

This non-oily, highly moisturizing body lotion will leave your skin smooth and vibrant. Lemon and lime balance the fat and moisture content of your skin, leaving you feeling fresh and uplifted for a long time. Ideal after a shower or a bath and after sunbathing.

### **Directions for use:**

Massage onto whole body with circular motion.

No animal testing.

## **BODY MOISTURIZING OIL**

*Apple Pie & Sweet Orange*

This natural, refreshing and at the same time calming and relaxing Body Moisturizing Oil replenishes the skin, helps to rejuvenate it deeply and enhance the skin's elasticity.

The spicy sweetness combined with the tang of citrus evokes a sense of joyful celebration.

### **Direction of use:**

Massage the Body Moisturizing Oil over the whole body, into damp skin, to make it absorb better, after a bath, a shower or a swim. Highly recommended to be used during a professional massage.
